

Key Points to know about the Land Use Plan:

- A Land Use Plan is required under Land Code
- The Lands Committee has worked hard to create a comprehensive Draft Land Use Plan for review
- Chief and Council are committed to the Land Use Plan and this version has been recommended for community input
- There will be 3 rounds of community engagement with different events between now and fall
- Community feedback will be incorporated into the draft after each round of engagement
- The Land Use Plan needs your input to make sure it represents the communities vision, goals policies and actions
- The Draft Land Use Plan is available on the website or from reception, contact reception@weiwaikum.ca or 250-286-6949 for a copy.
